

20-Year Limited Warranty **PVC Products and Steel doors**

As of October 20th, 2010

Lepage Millwork offers a warranty to meet your expectations. It reflects the quality of our products and confirms the value of your purchases

Lepage Millwork offers a 20 years warranty on PVC extrusions against any manufacturing defect, distortion, peeling, cracking, blistering and fading or discoloration that is not uniform.

Lepage Millwork offers a 10 years warranty on painted PVC extrusions used in the manufacturing of all its products against the finish peeling, cracking, blistering and fading or discoloration that is not uniform. This limited warranty applies to the PVC extrusions painted in the factory.

Lepage Millwork offers a 20 years warranty on sealed units with low emissivity coatings(10 years on all others), against the vapor and deposit of dust on the internal surfaces, resulting from the failure of seals and resulting in a reduction of the normal vision.

Lepage Millwork offers a 20 years warranty on the Truth hardware against any manufacturing defect and any materials defect which make the hardware unusable.

Lepage Millwork offers a warranty on its products against manufacturing or material defects for a period of two years. The first 12 months cover parts and labor. The last 12 months cover the cost of the parts only. Products covered by this warranty are; the steel door, the PVC, the spacer bars of the sealed units, the screens, the hardware, and accessories (weather-strip, door sweep, operator, etc.), the warping of more than ¼". This warranty excludes consequential damages resulting from the failure of any product. This limited warranty applies to the original home owner of the product and will be effective as of the date of purchase.

Lepage Millwork offers a 10 years warranty on decorative doorlites and on the regular doorlites for steel doors against any defect of manufacturing or seal failure of the sealed unit.

Lepage Millwork offers a 20 years warranty on the paint finish of the white steel doors , and a warranty of 10 years on other colors applied in factory against the finish peeling, cracking, blistering and fading or discoloration that is not uniform. The steel door is also warranted for 10 years against perforation due to rust or corrosion.
